JUNIOR AND SENIOR COMPRO SYLLABUS

| S/N | Module | Outline | Exercise | Hands-on Exercises |
|-----|----------------|-------------------|-------------------------|------------------------|
| 1 | Public Service | Introduction to | Overview discussion on | Group activity to |
| | Rules | Public Service | the importance of | analyze the |
| | | Rules | public service rules | objectives of public |
| | | | ' | service rules |
| | | Appointments | Review of appointment | Role-playing |
| | | and Leaving the | processes and exit | appointment and |
| | | Service | procedures | resignation scenarios |
| | | Prescribed | Compulsory | Overview of the |
| | | Examination for | Confirmation/Promotion | COMPRO syllabus |
| | | Confirmation | Examination (COMPRO) | and preparation for |
| | | | , , | COMPRO CBT Exams |
| | | Emoluments and | Interactive session on | Simulation of |
| | | Increments | pay structures and | emoluments |
| | | | increment policies | calculation based |
| | | | | on performance |
| | | Performance | Interactive session on | Case studies on |
| | | Management | performance-based | performance |
| | | System | evaluation system. | management |
| | | | | systems |
| | | Reward for | Discussion on | Create proposals for |
| | | Outstanding | recognition programs | recognizing |
| | | Service | and criteria for awards | outstanding service |
| | | | | in groups |
| | | Training and | Continuous Training | Stipulates policies on |
| | | Capacity | learning and skill | professional training, |
| | | Development | improvement. | workshops, and |
| | | | | capacity-building |
| | | | | initiatives. |
| | | Free Transport | Discussion on transport | Hands-on exercises |
| | | Facilities within | policies and | on accessing and |
| | | Nigeria | entitlements | utilizing transport |
| | | | | facilities |
| | | Virtual Meetings | Virtual engagements | Establishes |
| | | and | and work-from-home | guidelines for |
| | | Engagements | arrangements. | conducting online |
| | | | | meetings and |
| | | District. | | remote working |
| | | Discipline | Group discussion on | Case studies on |
| | | | disciplinary procedures | disciplinary actions |
| | | Dotitions and d | and implications | and outcomes |
| | | Petitions and | Review of processes for | Simulation of |
| | | Appeals | filing petitions and | drafting and |
| | | Logya Policias | Overview of different | submitting a petition |
| | | Leave Policies | Overview of different | Role-play scenarios |
| | | | types of leave and | on leave application |
| | | Modical | application processes | and approval |
| | | Medical and | Overview of medical | Practical |
| | | Dental | benefits and | demonstration of |
| | | Procedures | procedures for officers | how to access |

| | | | | modical cardess |
|----------|-------------|-----------------------------|----------------------------------------|------------------------------------------|
| | | Allovecinons | Dotailed discussion or | medical services |
| | | Allowances | Detailed discussion on | Case studies to |
| | | | types of allowances | determine |
| | | | and eligibility | allowance |
| | | | | calculations based |
| | | | | on different |
| | | Inventions | Ownership of | scenarios |
| | | inventions | Ownership of innovations and awards | Details regulations |
| | | | for creative work. | on ownership of innovations and |
| | | | l loi ciedlive work. | awards for creative |
| | | | | work. |
| | | | | WOIK. |
| | | Compensation, | Discussion on | Exercises on filing |
| | | Insurance, and | compensation | insurance claims |
| | | Personal Effects | packages and | and personal effect |
| | | | insurance policies | documentation |
| | | Application of | Review of how rules | Group analysis of |
| | | Public Service | apply to different | case studies |
| | | Rules to Federal | parastatals | illustrating rule |
| | | Government | | application |
| | | Parastatals | | |
| | | Nigerian Foreign | Outlines policies for | Hands-on session on |
| | | Service | diplomats and officials | travel, |
| | | Regulations | serving abroad. | accommodation, |
| | | | | and Foreign Service |
| | | Dro o o oli iro o fili | Defines the same f - | allowances |
| | | Procedures for | Defines the process for | Extensive |
| | | Amending the Public Service | making amendments | consultations with |
| | | Rules | based on evolving | stakeholders at the Federal and State |
| | | I/OIG2 | governance needs | levels |
| 2 | Financial | Finance | General overview of | Candidates should |
| _ | Regulations | Authorities and | financial authorities, | pay attention and |
| | | Responsibilities of | including definitions, | take notes during all |
| | | Public Officers | duties, and | discussions. |
| | | | responsibilities | |
| | | Revenue | Duties of a revenue | Candidates will |
| | | Collection and | collector and important | practice active |
| | | Authorities for | documents used by the | listening and |
| | | Recurrent and | revenue collector; | differentiate |
| | | Capital | understanding capital | between recurrent |
| | | Expenditure | and recurrent | and capital |
| | | Chave allowellers I'm | expenditure | expenditure. |
| | | Standardization, | Definitions and | Samples of vouchers |
| | | Accounting, and | preparation of | and cheques will be shown to the |
| | | Payment Procedures | vouchers, cheques, and cash | snown to the candidates. |
| | | Bank Accounts | | Discussion on how all |
| | | and Cheques | Outline the authority for opening bank | these transactions |
| | | and cheques | accounts, authorized | are carried out by |
| | | | signatories, payment | the relevant |
| <u> </u> | L | | Laigitatories, payment | THE IEIEVALII |

| | T | 1 | | |
|---|------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| | | | processes, overdrafts, and bank reconciliation; payment of salaries of federal officers | authorities. |
| | | Cash Book and Monthly Accounts | Importance of maintaining a cash book and other financial records; posting of vouchers into the cash book; balancing the cash book; bank reconciliation | Discussion on the importance of keeping a cash book and other records, along with showing samples of cash books. |
| | | Adjustments and Imprest | Definition of adjustments, types of adjustment vouchers, and the meaning of imprest; types, authority for issuance, and procedures for operating imprest | Candidates will practice active listening and differentiate between adjustments and imprest. |
| | | Custody of Public Moneys, Stamps, Security Books, and Documents | Use of banks, strong rooms, and reserved safes; retention of security documents and books after use | Candidates will learn to be conscious of how to keep public funds and property safe. |
| | | Receipt and Licence Books | General control of receipts and licence books; printing, transferring, and handling of unused or misprinted receipts and licence books | Candidates should take notes and ask questions during the discussion. |
| 3 | ICT Appreciation | Introduction to ICT | Discuss the role of ICT in the workplace | Group activity: Identify ICT tools used in daily tasks |
| | | Computer Basics | Review computer components and operating systems | Hands-on: Set up and configure a new computer |
| | | Software Applications | Explore common software (e.g., Word, Excel, powerpoint) | Hands-on: Create a document and a simple spreadsheet |
| | | Internet and Email Management | Discuss safe browsing and effective email use | Hands-on: Set up an email account and practice sending emails |
| | | Data Management | Understand data storage and organization | Hands-on: Organize files and folders on a computer |
| | | Cybersecurity Basics | Discuss cybersecurity threats and best practices | Exercise: Identify phishing emails and secure passwords |

| | | I.s. • | Γ. | 1 |
|---|--------------------------------|----------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| | | Basic Troubleshooting Techniques | Learn common troubleshooting steps | Hands-on: Troubleshoot a simulated computer issue |
| | | Effective Use of Collaboration Tools | Review collaboration tools (e.g., Google Workspace, MS Teams) | Hands-on: Collaborate on a shared document or project |
| | | Presentation Skills using ICT | Discuss the importance of effective presentations | Hands-on: Create and deliver a short presentation using PowerPoint |
| | | Digital Literacy and Continuous Learning | Explore the importance of lifelong learning in ICT | Group discussion: Identify resources for continued ICT education |
| 4 | Common Law: (Senior COMPRO) | Introduction to Common Law | Group discussion on the concept of common law vs civil law | Case studies illustrating the basic principles of common law |
| | | Law Enforcement & the Role of Paramilitary Officers in a Common Law System | Discussion on the role and duties of paramilitary officers within the common law system | Simulated scenarios on the legal use of force, arrest, and detainment |
| | | Rights of the Accused | Role-playing exercises on how to handle accused persons, respecting their legal rights | Mock arrest and interrogation exercise ensuring proper procedure |
| | | Understanding Evidence and Due Process | Classroom analysis on types of evidence admissible in court | Handling, preserving, and presenting evidence in a controlled simulation |
| | | Law of Self- Defense and Public Order | Group discussion and debates on legal limits of self-defense and maintaining public order | Scenario-based drills on crowd control and self-defense in the line of duty |
| | | Search and Seizure Under Common Law | Case study analysis of recent rulings on search and seizure laws | Practical drills on conducting lawful searches, warrants, and respecting rights |
| | | Civil Liberties and the Constitution | Discussion on balancing civil liberties with law enforcement duties | Interactive scenario on resolving conflicts between civil liberties and security needs |
| | | Criminal | Walk through of | Simulated arrest, trial |

| | | Procedure in a | criminal procedures | preparation, and |
|---|-------------------|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| | | Common Law | from arrest to trial | court appearance |
| | | System | | in a mock trial setup |
| | | Use of Force and | Analysis of legal cases | Tactical training on |
| | | Accountability | involving paramilitary | the graded use of |
| | | | force and | force and post- |
| | | | accountability | incident reporting |
| | | Ethical Conduct | Group reflection on | Decision-making |
| | | in Law | ethical issues officers | role-play scenarios |
| | | Enforcement | face in the field | focusing on ethical |
| | | | | dilemmas in law |
| | | | | enforcement |
| 5 | Criminal Law: | Introduction to | Group Discussion: | Create a Glossary: |
| | (Senior COMPRO) | Criminal Law | Purpose of Criminal Law | Key Legal Terms |
| | | | | |
| | | | | |
| | | Types of Crimes | Case Study Analysis: | Role-Playing: |
| | | | Different Crime | Defining Crimes |
| | | | Categories | |
| | | Criminal | Group Activity: Steps in | Simulation: Mock |
| | | Procedure | Criminal Process | Trial Preparation |
| | | Defenses in | Group Discussion: | Hands-On: Crafting |
| | | Criminal Law | Common Defenses | Defense Arguments |
| | | Sentencing and | Case Study: Sentencing | Workshop: |
| | | Punishment | Guidelines | Developing a |
| | | | | Sentencing Proposal |
| | | Criminal Justice | Group Activity: Roles in | Role-Playing: |
| | | System | the Justice System | Courtroom Roles |
| | | Current Trends in | Research Presentation: | Brainstorming |
| | | Criminal Law | Recent Legal | Session: Future |
| | | | Developments | Challenges |
| 6 | Police Orders and | Road Safety | Review traffic laws and | Simulated traffic |
| | Instructions | Overview | regulations | stop scenarios |
| | (Senior) | T - (" - O l l | Advanced to the control of the contr | D |
| | | Traffic Control | Managing intersections | Direct traffic at a |
| | | | and pedestrian | mock intersection |
| | | Accident | crossings Investigating traffic | Hands-on evidence |
| | | Investigation | accidents | collection and |
| | | ii ivesiigaiion | decideriis | documentation |
| | | DUI Enforcement | Recognizing signs of | Conduct mock field |
| | | | impaired driving | sobriety tests |
| | | Emergency | Responding to traffic | Practice setting up a |
| | | Response | emergencies | secure perimeter |
| | | Community | Building trust with the | Role-playing |
| | | Engagement | community | community |
| | | 0.0 | - , | outreach scenarios |
| | | Pursuit Driving | Understanding pursuit | Controlled pursuit |
| | | 9 | protocols | driving exercises |
| | | Vehicle | Conducting traffic stops | Perform vehicle |
| | | Inspection | for vehicle checks | inspections on mock |
| | | · . | | vehicles |
| | | Legal Aspects | Review of legal | Case studies and |
| | • | | | |

| | | | implications of traffic stops | discussion |
|---|---------------------------------------|-------------------------------------------------|---------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------|
| | | Use of Technology | Utilizing traffic management systems | Hands-on training with radar and body cameras |
| 7 | Immigration Practical Duties (Senior) | Introduction to Immigration Laws & Policy | Overview of immigration laws, visa types, and roles of immigration officers | Case studies: Review and discuss real immigration cases; Identify correct visa types for different scenarios |
| | | Border Control Operations | Introduction to entry/exit procedures and documentation requirements | Simulate document checks for passengers; Practice stamping and visa endorsement |
| | | Immigration Documentation & Fraud Detection | Review of passports, visas, and other immigration documents | Hands-on document verification, spotting counterfeit documents |
| | | Interview Techniques for Immigration | Understanding questioning techniques to assess the legitimacy of travelers | Mock immigration interviews with role-play scenarios |
| | | Handling Refugees and Asylum Seekers | Procedures and rights for refugees and asylum seekers | Process simulation for refugee/asylum applications; Decision-making based on humanitarian guidelines |
| | | Deportation and Removal Procedures | Legal framework for deportation, removal processes, and detention center protocols | Simulate issuing deportation orders; Handle mock cases of detainees in processing centers |
| | | Investigating Human Trafficking & Smuggling | Identifying signs of human trafficking and smuggling; Collaborating with other agencies | Case review: Identify trafficking or smuggling indicators in suspicious cases |
| | | Crisis Management at Borders | Handling emergencies: health, security threats, or natural disasters at borders | Emergency drill simulation (e.g., pandemic screening, lockdown at a border crossing) |
| | | Use of Technology in Immigration | Introduction to biometric systems, e- passports, and automated border control systems | Hands-on experience with biometric scanners, e-passport readers, and automated gates |
| | | Ethical and | Discussion on ethics, | Group exercise: |

| | | Cultural | outural consitivity, and | Dala play difficult |
|---|-------------------|-----------------------------|------------------------------------------------------|-------------------------------------------|
| | | | cultural sensitivity, and discrimination in | Role-play difficult ethical situations in |
| | | Considerations in | | |
| 8 | Prisons Practical | Immigration Introduction to | immigration practices | immigration work |
| 0 | | Correctional | Overview of prison regulations and the role | Facility tour, introduction to |
| | Duties(Senior) | Duties | of officers | control room and |
| | | Dolles | of officers | |
| | | Inmate | Classroom session on | basic protocols Shadowing officers |
| | | Supervision & | managing inmate | during inmate roll- |
| | | Control | behavior | call and daily |
| | | Cormor | Deliavioi | routines |
| | | Communication | Role-playing scenarios | Practice conflict |
| | | Skills | for officer-inmate | resolution during |
| | | JKIIIJ | communication | supervised inmate |
| | | | Commonication | interactions |
| | | Use of Force & | Lecture on legal | Demonstration and |
| | | Restraints | guidelines and use of | practice of |
| | | 1.0311 Gill 113 | physical force | handcuffing, |
| | | | 5,3.33.13.33 | restraint techniques |
| | | Emergency | Review of emergency | Simulated drills: |
| | | Procedures | protocols (fire, riot, | evacuation |
| | | | lockdown) | procedures, |
| | | | , | handling prison riots |
| | | Search | Instruction on cell and | Hands-on practice in |
| | | Techniques | body searches for | conducting inmate |
| | | ' | contraband | searches and cell |
| | | | | inspections |
| | | Report Writing & | Training in documenting | Writing sample |
| | | Documentation | incidents, daily reports | reports from mock |
| | | | | incidents, reviewing |
| | | | | actual reports |
| | | Weapon | Lecture on non-lethal | Practical handling |
| | | Handling & | weapons used in prison | and usage of |
| | | Safety | environments | batons, tasers, and |
| | | | | riot gear |
| | | Prisoner Escort & | Guidelines for inmate | Escorting practice: |
| | | Transportation | transfers, security | from cell to transport |
| | | | checks | vehicle under |
| | | Ctross | Ctropo po cua si | supervision |
| | | Stress | Stress management | Practical exercises in |
| | | Management & Officer Safety | techniques and personal safety tips | situational awareness and |
| | | Officer surery | personal salety lips | teamwork drills |
| 9 | Customs Practical | Introduction to | Overview of customs | Role-playing |
| ' | Duties(Senior) | Customs Duties | duties, tariffs, and | scenarios: Customs |
| | 201100(0011101) | | import/export | declarations review |
| | | | regulations. | and assessment of |
| | | | | duty. |
| | | Customs | Study of customs forms, | Simulating the |
| | | Procedures & | declarations, invoices, | review and |
| | | Documentation | and bills of lading. | verification of |
| | | | | import/export |
| | | | | documentation. |
| | | • | • | |

| 10 | Fire Service Practical Duties (Senior) | Introduction to Fire Service | Overview of roles, equipment, and safety | duties. PPE inspection and donning drill |
|----|----------------------------------------------|--------------------------------------------------|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| | | Practical Final Assessment | Reviewing all concepts covered during the course with a final examination or assessment. | Full-scale simulation of a customs office scenario: Officers manage the clearance of goods, assess risks, inspect shipments, and enforce customs |
| | | Customs Enforcement & Penalties | Enforcement of customs laws and handling violations, penalties, and appeals. | Mock enforcement action: Dealing with a customs violation case, applying penalties, and following the appeals process. |
| | | Trade Facilitation & Customs Modernization | Understanding the balance between trade facilitation and customs control. | Simulating modernized customs processes, such as single-window systems and electronic data interchange (EDI). |
| | | Post-Clearance Audits & Investigations | Overview of auditing practices, investigations of fraud, and post-clearance customs activities. | Conducting a simulated audit of a company's customs documentation and investigating anomalies. |
| | | Cargo Inspection Techniques | Techniques for inspecting shipments, containers, and cargo to detect contraband and fraud. | Hands-on cargo inspection using mock containers and scanning equipment. |
| | | Customs Valuation & Tariff Classification | Study of methods for determining customs values and tariff classifications. | Practical exercise: Assigning customs values and classifications to goods based on real-world examples. |
| | | Import & Export Control Measures | Overview of import/export restrictions, embargoes, and prohibited goods. | Case studies: Identifying prohibited items and determining the appropriate response. |
| | | Risk Management in Customs | Identifying high-risk shipments and goods. | Use of risk profilng tools to categorize shipments for inspection. |
